See what I can do in the time it takes you to answer the phone

Layers of Protection and Safety

Use multiple methods to prevent access to your pool. Follow pool safety rules to have a fun time in the water!

Store and use pool chemicals according to label instructions

Hire a licensed electrician to be sure of proper **GROUNDING** and **BONDING** of your home and pool

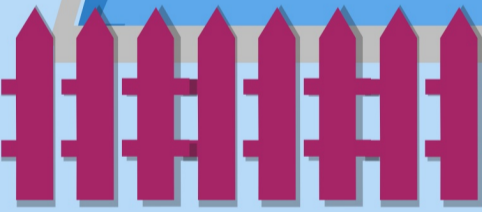

Get out of the pool at the first sign of thunder or lightning

Install certified safety pool covers

Don't swim without safety **COVERS** on drains, suction fittings and jets

Designate a **POOL WATCHER**, someone to watch swimmers with no distractions

Install self-closing, self-latching gates on ASTM approved safety **FENCING**

LEARN to swim

Learn CPR
