## **CM Custom Pool Designs Wins Bronze Award at the Everything Under the Sun Expo**

SARASOTA, FL – The Florida Swimming Pool Association’s (FSPA) 2020 Design Award winners were recognized in February at the annual Awards and Welcome Reception held during the Everything Under the Sun Expo.

The annual FSPA Design Awards allows members to enter their pools, spas, and water features for judging on workmanship, soundness of design, beauty, practicality, and safety.

Awards of Gold, Silver, Bronze, and Award of Merit may be granted in each of the 20 categories. Judges do not have to recognize any entries in a category if they deem that no entries merit an award. An overall Best of Show award may also be granted, as well as special awards for exceptional achievement (i.e. Technical Achievement). Categories are based on square footage and features. Each winner received a plaque with a color print of the winning entry and a winner’s badge to use on their website.

CM Custom Pool Designs of Ormond Beach won a Bronze Award in the Pool/Spa Combination Vanishing Edge category. Wendy Parker Barsell – Executive Director (FSPA) said, “Each year I am impressed with the quality of entries submitted to the FSPA Design Awards program. This year our builders presented projects which proved they are leaders in the industry with cutting edge design, technical achievements and customer satisfaction.”

The Florida Swimming Pool Association is a trade association for the pool and spa industry in Florida. There are approximately 700 member businesses in 16 Chapters across the state. Members are required to abide by a code of ethics and to be properly licensed and insured. FSPA provides the industry with access to continuing education courses, information on current trends and issues, and an arbitration program and government relations representation. FSPA is governed by a Board of Directors.
